## RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS ISSUED IN ERROR

The Notification of Missing Requirements dated April 17, 2002, indicates that the oath or declaration is missing in the above-identified patent application.

It is respectfully submitted that this notice has been issued in error and should be withdrawn.

In response to the Notification of Missing Requirements enclosed is the Declaration filed on February 11, 2002, with the application. Also enclosed is a copy of the receipt card from OIPE dated February 11, 2002, to corroborate that the declaration was filed on that date.

Customer No. 22,852 Attorney Docket No. 07241.0017

In view of the fact that the declaration was filed on February 11, 2002, applicants submit that the requirement for submission of a new declaration has been made in error. All of the requirements under 35 U.S.C. 371 were met on February 11, 2002, including the payment of a filing fee of \$1,260.00 and authorization to charge any additional filing fees to the designated deposit account. (See p.2 of the transmittal letter). Accordingly, it is respectfully requested that the requirement of a surcharge fee of \$130.00 be withdrawn and that the applicants be accorded a date of February 11, 2002, under 35 U.S.C.§ 371. However, if is determined that such a surcharge fee is required, authorization is given to charge the fee to our deposit account no. 06-0916.

Applicants have determined that the additional claims fee of \$18.00 for 6 total claims over should have been paid on February 11, 2002, and should have been charged to deposit account no. 06-0916 on February 11, 2002 as authorized in the transmittal letter filed February 11, 2002. However, since the fee was not changed to the deposit account, applicants enclose a check for \$18.00 for the additional claims fees.

Please associate this Declaration with the application as filed on February 11, 2002, and assigned serial number 10/049,239.
